

From The Desk Of Patti Cash, President/Magic Cruises & Tours

Dear MAGIC Friends,

We send our best wishes out to ALL that you are healthy and safe. As a family owned and operated business since 1988, **MAGIC Cruises & Tours**, has always cared first and foremost about our clients and our staff. Since day one, it has been our mission to create carefree vacations for our clients that focus on the destination, the experience, our service, and the value we provide. Today, 33 years later this remains our goal!

Since March, the 2020 COVID-19 pandemic has left us in an unprecedented environment. The far-reaching impact has effected everyone in one way or another. The travel industry has been hit especially hard with the suspension of cruises, closure of countries, ports of call, flight reductions and other factors. All of us at MAGIC continue to move forward with faith that the “new normal” will allow for resumption of travel experiences in the near future.

We want to reassure you that as your **local travel experts**, you can rely on the **Magic Ladies** to help keep you up-to-date and informed on any travel restrictions and assist in planning your next vacation when you are ready to travel. We stand by our clients, associates and partners in these challenging times and I hope that you in turn will stand by us. Thank you for your loyal support and relationship throughout the years!

Sincerely yours,

Patti Cash
